

Gregory O. Scott is a pen name for fan fiction writer HandofThrawn45. When Disney rebooted the Expanded Universe in 2014, it brought about the official end of the Star Wars Legends continuity. Yet while no new official Legends books have been released since the official end of the Legends line of books, not everyone has been willing to accept that it would seem. Since 2018, HandofThrawn45 has written a number of fan novels which are intended to close off the loose ends created in the wake of Disney's end of the Legends Continuity.

As the galaxy descends deeper into the darkness of Palpatine's Empire, a few sparks remain. A renegade fleet led by A'Sharad Hett is dealing blow after blow against the Imperial Navy, while Jedi Jax Pavan and his allies are fighting the enemy on Coruscant itself.

The Emperor has tasked Darth Vader to bring his enemies to heel. As Vader hunts Jax Pavan, he must also compete with other ex-Jedi who have fallen under the Emperor's sway. Vader's greatest challenge, however, is also the most personal. The planet of Naboo has become a conduit for Jedi fleeing the Purge. Anakin Skywalker once loved Naboo. Now he must prove his loyalty by subduing all dissidents, even the family of his late wife.

As the Empire descends on Naboo, the fugitive Jedi are caught in the maelstrom. What emerges is a savage fight for survival where no being, Imperial, Jedi, or civilian, will escape undamaged.
